Dear Veteran General Officers,

I am attaching an excellent analysis by Brig Vidyasagar (Retd), Chief Mentor of Tri Services Ex-Servicemen Welfare Association (TSEWA) and the erstwhile President of TSEWA, on the prevailing situation where General Officers and equivalents from the Navy and IAF are getting lesser pay and pensions than the Brigadiers and equivalents, for your perusal. This analyses in the form of the Legal Brief is being forwarded to our Advocate who is practicing in AFT (PB), Delhi and the Hon'ble Supreme Court for his opinion before filing the case through him.

TSEWA intends to file this case in AFT (PB) Delhi as soon as our Advocate concurs, on behalf of all Veteran General Officers which implies that this would be applicable to all the affected serving General Officers too. This mail is being circulated in advance to all the Veteran General Officers and equivalents for advance information and for improving the Legal Brief being sent to our Advocate if you have any additional points. All replies/Comments may please be addressed to triservices.hyd@gmail.com.

All Veteran General Officers will be sensitized as soon as we get the clearance from our Advocate and invite them to join the Legal Case which will be filed in the AFT.

(Sudheer Parakala)
Commodore, IN (Retd)
President, TSEWA
